**INDIANA STATE HORSESHOEING ACADEMY**

WELCOME TO ISHA  
The Indiana State Horseshoeing Academy (ISHA) is located in Ellettsville, a small community in East Central Indiana. Within a few hours of Indianapolis, IN and Canton, OH, the horseshoeing academy sits in the heart of horse country with excellent equine and is surrounded by a large equine population representing all disciplines central to the equine industry.

"LEARN FROM THE BEST IN THE INDUSTRY!"

**HURRICANE FORGE KNIVES**

WELCOME TO HURRICANE FORGE  
The Hurricane Forge knives are named after "HF" blades come in five categories:  
Cat 1... An all purpose knife with a standard 3.75" blade.  
Cat 2... This is an all purpose knife with a narrow long blade 3.75" x 2.75".  
Cat 3... This is an all purpose knife with a wide long blade 3.40" x 2.75".  
Cat 4... This "long knife" has a small 2.75" blade designed for tight work and straight cuts.  
Cat 5... Our "off hand" knife carries a standard blade set (sawtooth). Basically, it's a left-handed knife with a right-handed handle (or the opposite for lefties).

"A HONOR TO BE RECKONED WITH!"

**MIDDLEFORK FORGE**

VETERINARY SERVICES  
Middlefork Forge maintains a regular schedule for on-site combination of farrier and equine veterinary services. The University of Illinois Large Animal Hospital in Champaign, Illinois, IL, and at Dr. Thomas Brubaker and Associates Equine Veterinary Clinic in Farmer City, IL. Clients are welcome to schedule work at these facilities, where we work on both regular and therapeutic cases.

**iHorseshoe, inc. multimedia**  
media & marketing for the farrier community

Some people know media & marketing  
Some people know the farrier community. We know both.

Whether you're looking to build a business identity or simply looking for a reasonable and reliable source for your printed and web-based materials, iHorseshoe works with you to develop and market your unique identity and brand.

*Shoeing*  
ABOVE THE FOOT

A WHOLE-HORSE APPROACH TO FARRIERY.

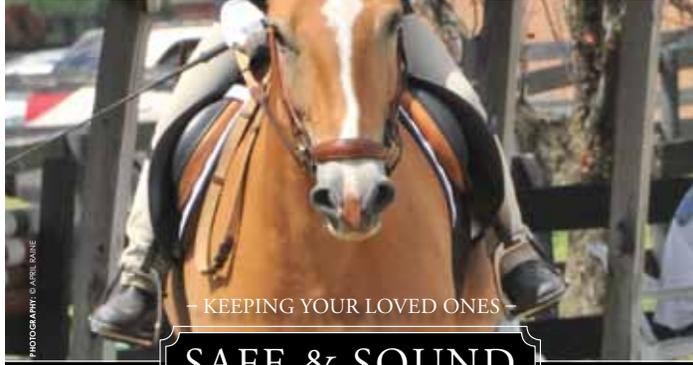

**THIS ISN'T YOUR AVERAGE BOOK ABOUT FARRIERY.** Written by internationally recognized, award winning author and educator, *Shoeing Above the Foot*™ brings a Whole-Horse Approach to farriery. Stunning images & comprehensive illustrations by some of the equine publishing industries top designers, this book delivers in ways most books about farriery don't. You won't fall asleep with this one on your chest & it doesn't weigh as much as a dumbbell.

First edition will be available in May, 2011.

— KEEPING YOUR LOVED ONES —

## SAFE & SOUND

Keeping loved ones safe & sound should never happen through chance. Care comes from commitment. As you trust your loved ones to the care of someone else, remember that our associations are built upon a foundation of education and certification. It's our commitment.

Safe instruction. Sound horses...

## 5TH ANNUAL HORSEMAN'S DAY

AMERICAN FARRIER'S ASSOCIATION 2009 CONVENTION - 2/28/09

**No Foot, No Horse**  
is a saying for some. It's our trademark.  
— American Farrier's Association —

featuring...  
**JOHN LYONS**  
America's Most Trusted Horseman

John Lyons headlines an all-star cast of farriers, veterinarians, and equine professionals, as we present the American Farrier's Association's 5th Annual Horseman's Day.

From training concerns to shoeing and health concerns, Horseman's Day provides educational opportunities for all owners and enthusiasts. Our experts address topics from training to shoeing to health and welfare. Whether you're looking for insight into shoeing the racing horse or the message horse, we've got it!

Along with the educational opportunities, your \$10 registration fee provides access to the RIAJ AFA Marketplace, where you'll visit more than 150 booths featuring hoof care and equine products.

Mark your calendar now, and join us from 8am to 5pm at the Chattanooga Convention Center on Saturday, February 28th, 2009. Visit the Official AFA Convention site ([www.afoconvention.com](http://www.afoconvention.com)) to pre-register and avoid waiting in line.

NORTH AMERICA'S PREMIER FARRIER EDUCATIONAL EVENT

*Mobile*  
ALABAMA

SEE YOU NEXT YEAR...  
2.29.2012 - 3.3.2012  
AMERICAN FARRIER'S ASSOCIATION'S™  
41ST ANNUAL AFA CONVENTION

PHOTOGRAPHY: MOBILE BAY CONVENTION & VISITOR BUREAU

GoCoastal.

**"The best farrier educational event"**

No Foot, No Horse™ is a saying for some, but a philosophy for the American Farrier's Association™.

For the past 40 years, AFA professional farriers have gathered annually, sharing information and exchanging ideas for improving the welfare of the horse—from the ground up.

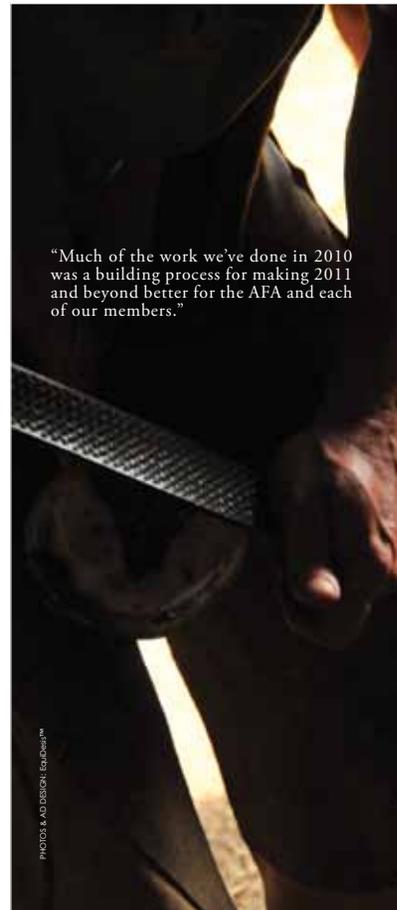

Join us for demonstrations, lectures, and educational opportunities, visit with colleagues, shop in the world's largest farrier MarketPlace, and enjoy demonstrations ranging from breed-specific shoeing to anatomy labs.

**"New Year. New Benefits."**

Building a firm and solid foundation always proves worthwhile, and we've been working to set rocks and mortar in place for the coming years. Some of the "gifts" that will come from the solid planning are beginning to evidence, and more will be upon us shortly.

Foremost among the gifts coming our way is the new AFA Advantage program. Through this program, AFA members will continue to receive discounts on items ranging from tractors and trucks to paint and office supplies. But they'll also get more.

AFA members will be able to purchase insurance packages through a tried and tested Wells Fargo program. With options ranging from individual to family and group coverage and from major medical to dental and vision plans, this program will prove a windfall for many AFA members. Through the AFA Advantage program, we will also be offering discount cards for AFA members, which will provide significant savings on medical prescriptions.

Visit with AFA representatives at **BOOTH B (LOUNGE)** in the MarketPlace to learn more.

**NO FOOT, NO HORSE™**  
is a saying for some. It's our trademark...

Since 1971, the American Farrier's Association™ (AFA) has focused on improving equine welfare through excellence in hoof care and farriery. Educating farriers in the art and science of farriery has been central to this goal.

It's simple to find hoofcare information, but difficult to find information you can trust. Constantly building upon five basic tenets—Education, Certification, Communication, Research, and Innovation—the AFA provides reliable and trusted resources and support for the equine community. Visit with an AFA member for informed hoofcare information.

## HURRICANE FORGE KNIVES

*Pick up a Hurricane Forge knife and you'll be blown away by the quality, feel, and look of this durable, handcrafted tool.*

### BLADESMITHING...

Each Hurricane Forge knife is handmade from quality blade steel by Robbie Hunziker, an AFA Certified Journeyman Farrier and a 3rd generation knifer and blacksmith. While Robbie studies steel, tempering, and forging to produce these quality blades, the real research behind them is conducted daily and is done on the bottom of a horse's foot.

### FINISHING...

To complement the high quality blade steel, handles are available in three presentations of straight-grained, highly resilient woods: African Padauk, Brazilian Purpleheart, and American Walnut. The Padauk scales present in a rich reddish-orange color which ages to a rich brown. The Purpleheart scales present in a brilliant deep purple, which ages to a smooth purple-brown. The American Walnut scales present in a deep brown, which darkens and richens with age.

### STYLES / CATEGORIES...

Like the hurricanes they're named after, HF blades come in five categories:

Cat 1... An all-purpose knife with a standard 1.75" blade)

Cat 2... This is an all-purpose knife with a narrow, long blade (.75" x 2.5")

Cat 3... This is an all-purpose knife with a wide, long blade (.875" x 2.5")

Cat 4... This "hog knife" has a small 2" blade designed for light work and straight cuts.

Cat 5... Our "off hand" knife carries a standard blade set backwards. Basically, it's a left-handed knife with a right-handed handle (or the opposite for lefties).

### CUSTOM ORDERING...

Options are available for each category, allowing you to choose right or left-handed, short (6") or long (7") handle, and standard or full tang. Since all knives are handmade, customers are welcome to contact us with any special needs or requests.

### CONTACT & ORDER...
